Living, Loving, Local

Locally sourced, regionally inspired and lovingly prepared, our meals are justly celebrated. Menus vary daily, weekly and seasonally. Health needs are deliciously accommodated and favourites noted. At Verve Aspen Woods, exceptional cuisine sets the mood for lively conversation.

Suite dreams

Beautifully functional and tastefully ergonomic, each suite is designed to please the eye while ensuring your comfort, accessibility and safety. In your choice of studio, one-bedroom or two-bedroom plan, generous proportions and lots of natural light create a happy home for your belongings.

Safe, secure and self-sufficient

You don't have to give up your privacy to ensure your safety. Concierge services, our emergency response system and personal pendants monitored on-site provide complete peace of mind, for you and for the people who love you.

Comfortably
looked after,
night and day

Verve Aspen Woods wellness professionals are dedicated to your comfort and independence. Sensitive to individual priorities and preferences, in-suite assistance is available and adaptable to your personal needs.

All the freedom
you want. Just the
support you need.
